Seeret: planned for Wednesday April 13th 6PM-9PM. There will be a tournament using UNO, 1st, 2nd and 3rd place will get VISA gift cards. Other games will be happening at the same time. Do you think we should buy new games? Or borrow? We also wanted to get some snacks, any ideas? Should we do a big table or smaller tables for games?

MoeMoe: Jumbo jenga is the Dean's we could ask

Mihir: Have you thought about having an incentive for students to come?

Seeret: We were planning on entering those who attend into a raffle, should we do this or the tournament?

Olivia: Competition is better

MoeMoe: Setting up tables is better

Nellie: We should limit the number of games

Anumita: We should do a sign-up.

MoeMoe: Good idea to do individually packed snacks or pizza or both; budget is \$400

Anumita: Do we have capacity limits?

MoeMoe: I think they dropped capacity limits

6.2 Charity Gala Update

Cassidy: SOLD 450 tickets. I need everyone on council to help with clean-up. Will only need events committee and SciSquad for morning for set up. Doors open at 6 if you all could be there that would be good.

Cassidy: Sell 6 lottery tickets

Seeret: Is there a way to see who bought tickers under our name

Maria: You can ask me or Keith
